

Steve Matteson

Studium am *Rochester Institute of Technology's School of Printing* mit Schwerpunkt Typographie und Design. 1990 begann er für *Monotype* zu arbeiten am TrueType Core-Set für Windows: Arial, Times New Roman und New Courier. Er schuf etliche Fonts für die Monotype Library und war an diversen Projekten zu Corporate Fonts wie Agilent Technology's Hausschrift und Microsoft's Fontfamilie *Segoe* beteiligt. Heute arbeitet er für die *Ascender Corp.* in Chicago.
