

Jason Castle

Jason war Computerprogrammierer für etliche Jahre und wollte mehr kreativ tätig sein. Er kombinierte sein Interesse für Computer, mit dem für Typographie und begann digitale Fonts herzustellen. Er gab seinen bisherigen Job auf, um sich hauptberuflich mit dem Schriftdesign zu beschäftigen. Unter anderem entwickelte er Corporate Fonts für Kunden wie *S&W Foods*, *Chevron* und *Shiseido*. Jason studierte später Psychologie an der *Dominican Universität* in Kalifornien.
