

NATE PIEKOS

Geboren 1975 in Rhode Island. Abschluß am Rhode Island College 1998 mit einem BA in Corporate Identity Design. In dieser Zeit entwarf er auch sein erstes Font für ein Comicbuch. Im Jahre 2003 etablierte er sein zweites Fontstudio Providence Type. Providence Type kombiniert sein Interesse an Schriften und der Hauptstadt von Rhode Island; alle ProvType Fonts sind nach Straßen und Features der "Renaissance City" benannt. Nate ist auch Musiker, Graphicdesigner und Illustrator
