The following is what the Iowa Press Association made of Honace Greeley's note declining the invitation to meet with them the following June:

"I have wondered all along whether any squint had denied the scandal of the President meeting June in the woods on Saturday. I have homing, canots, and R. R. ties more than I can move with right steam. If sets are blighted, dig them early. Any insinuation that brick ovens are dangerous to hams gives me the honours."

Yours Truly,

Honace Greeley.
